The Partners agree to cooperate with each other and to do or refrain from doing any and all things reasonably required to conduct such proceedings.

ARTICLE XII TRANSFERABILITY

12.01 Restrictions on Transfer.

(a) A Partner shall not Transfer all or any part of his or her Interest unless all of the following conditions are met:

(1) Prior to any Transfer of any part or all of any Interest (including any Transferable Interest), the Transferring Partner shall provide the Partnership and Partners uninvolved in the Transfer with written notice (including the name and address of the proposed transferee and the date of such proposed Transfer);

(2) Approval of Managing Partner of Transfer;

(3) The Transfer shall not cause a termination of the Partnership for federal income tax purposes, within the meaning of Code §708(b), or otherwise cause the Partnership to be taxed as other than a partnership for federal income tax purposes;

(4) The Transferring Partner has reimbursed the Partnership for any costs incurred by the Partnership in connection with the Transfer (including, without limitation, reasonable attorneys' fees);

(5) The proposed transferee has executed this Partnership Agreement as it may have been amended up to that time or a joinder agreement to be bound by the terms of this Partnership Agreement, as amended up to that time;

(6) The proposed transferee is permitted under applicable laws to own an Interest in the Partnership; and

(7) The proposed transferee has executed all other documents as the Partnership shall deem necessary or advisable to effect such Transfer.

(b) Except as may otherwise be required by law, any Transfer in violation of the provisions of this Partnership Agreement shall be null and void and of no force and effect. If, under applicable law, the Partnership is required to recognize any Transfer that violates the provisions of this Partnership Agreement, then such transferee shall be merely a Transferable Partner, and such transferee's Interest shall be subject to purchase by the Partnership at any time (acting in the Partnership's sole and exclusive discretion) at the same price and terms as the purchase of a Dissociated Partner's Interest under §14.04 hereof.

(c) If a Partner elect to disassociate from the Partnership he may select to transfer his part. The remaining partners will have the first right of refusal to purchase his part. In case none of the remaining partners will agree to buy the departing partner's part, the departing Partner will be allowed to offer his part for sale outside of the partnership. If the Partner was not able to sell his part, and would like to disassociate from the partnership, the remaining Partners could purchase his part at 70% of its real value (30% discount) to be determined by an independent appraisal of the properties owned by the partnership.

12.02 Tax Consequences of Transfer. The transferee of an Interest shall not be entitled to any retroactive allocation of losses, income, or expense deductions incurred by the Partnership. The Managing Partner may, at his or her option, at the time the Partner is admitted, close the Partnership books (as though the deductions to a new Partner for that portion of Partnership's Taxable Year had ended) or make pro rata allocations of loss, income, and expense deductions to a new Partner for that portion of Partnership's Taxable Year in which a Partner was admitted in accordance with the provisions of Code §706(d) and the Treasury Regulations promulgated thereunder.

ARTICLE XIII ISSUANCE OF PARTNERSHIP INTERESTS

13.01 Conditions to Issuance of Interests to New Partners. The Partnership may issue Partnership Interests to new Partners for such consideration and on such payment terms as a Unanimous agreement of all partners.

(a) The issuance of the Partnership Interest to the proposed Partner shall have been approved of by not less than Unanimous agreement of all partners;

(b) The admission of the proposed new Partner shall not cause a termination of the Partnership for federal income tax purposes within the meaning of Code §708(b) or otherwise cause the Partnership to be taxed as other than a partnership for federal income tax purposes;

(c) The proposed new Partner must either execute this Partnership Agreement as it may have been amended up to that time or a joinder agreement to be bound by the terms of this Partnership Agreement as amended up to that time;

(d) The proposed new Partner must reimburse the Partnership for all costs (including reasonable attorneys' fees) incurred by the Partnership in connection with such issuance (which requirement may be waived upon the approval unanimous agreement of all partners);

13.02 Tax Consequences of Issuance. No new Partner shall be entitled to any retroactive allocation of losses, income, or expense deductions incurred by the Partnership. The Managing Partner may, at his or her option, at the time a new Partner is admitted, close the Partnership books (as though the deductions to a new Partner for that portion of Partnership's Taxable Year had ended) or make pro rata allocations of loss, income, and expense deductions to a new Partner for that portion of Partnership's Taxable Year in which a Partner was admitted in accordance with the provisions of Code §706(d) and the Treasury Regulations promulgated thereunder.

ARTICLE XIV DISSOCIATION

14.01 Events Causing Dissociation. A Partner is dissociated from the Partnership only upon the occurrence of any of the following events:

(a) The Partnership's having written notice of the Partner's express will to withdraw as a Partner or on a later date specified by the Partner;

(b) The Partner's conviction of a criminal Act (except criminal traffic laws);

(c) The Partner engaged in conduct relating to the Partnership business that makes it not reasonably practicable to carry on the business in partnership with the Partner such as:

The Partner's:

(2) Executing an assignment for the benefit of creditors;

(3) Seeking, consenting to, or acquiescing in the appointment of a trustee, receiver, or liquidator of that Partner or of all or substantially all of that Partner's property; or

(4) Failing, within 90 days after the appointment, to have vacated or stayed the appointment of a trustee, receiver, or liquidator of the Partner or of all or substantially all of the Partner's property obtained without the Partner's consent or acquiescence, or failing within 90 days after the expiration of a stay to have the appointment vacated;

(d) In the case of a Partner who is an individual:

(1) The Partner's death; or

(2) The appointment of a guardian or general conservator for the Partner; or

(3) A judicial determination that the Partner has otherwise become incapable of performing the Partner's duties under the Partnership Agreement;

(e) In the case of a Partner that is an Entity, the death of its owner; or

(f) Termination of a Partner who is not an individual, partnership, limited liability company, or corporation.

14.02 Agreement Not To Wrongfully Dissociate. Each Partner agrees not to Wrongfully Dissociate. A Partner who Wrongfully Dissociates is liable to the Partnership and to the other Partners for damages caused by the Wrongful Dissociation. This liability is in addition to any other obligation of the Partner to the Partnership or to the other Partners.

14.03 Effect of Dissociation. Upon dissociation of a Dissociated Partner, the Partnership shall continue without dissolution, unless a Dissolution Event shall have occurred and the Partnership is not continued as provided in §15.02. Upon a Dissociated Partner's dissociation:

(a) The Dissociated Partner's right to participate in the management and conduct of the partnership business terminates, except to the extent the Dissociated Partner participates in the winding up of the Partnership's business;

(b) The Dissociated Partner's duties of loyalty and care terminate other than the Dissociated Partner's duties (1) to account to the Partnership and hold as trustee for it any property, profit, or benefit derived by the Dissociated Partner in the conduct and winding up of the Partnership business or derived from a use by the Dissociated Partner of Property, including the appropriation of a Partnership opportunity; (2) to act fairly when he or she deals with the Partnership in the conduct or winding up of the Partnership business as or on behalf of a party having an interest adverse to the Partnership; and (3) to refrain from engaging in grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law in the conduct and winding up of the Partnership business; provided, however, that after dissociation the duties described in (1), (2), and (3) of this §14.03(b) shall continue only with regard to matters arising and events occurring before the Dissociated Partner's dissociation, unless the Dissociated Partner participates in winding up the Partnership's business; and

14.04 Purchase of Dissociated Partner's Interest. Upon dissociation of a Dissociated Partner (other than a dissociation resulting from a Transfer or elective disassociation) and provided that the other Partners have not elected to dissolve the Partnership at any time prior to the Closing Date (as defined herein) and that the dissociation does not otherwise result in a dissolution and winding up of the Partnership business as provided for in Article XV hereof, the Dissociated Partner shall sell his or her Interest to the Partnership, and the Partnership shall purchase the Dissociated Partner's Interest, and the purchase price to be determined by an independent appraisal of the properties owned by the partnership.

14.05 Closing of Purchase of Dissociated Partner's Interest. The closing (Closing) of the purchase of the Interest of the Dissociated Partner shall occur as soon as is practicable after the effective date of the Dissociated Partner's dissociation. The purchase price for the Dissociated Partner's Interest shall be payable, at the sole discretion of the Partnership, either (a) in a lump sum by certified check or other immediately available funds on the Closing Date (without interest). Pay-

out may be postponed for up to six months from closing (Closing). If after 6 months the partnership is not capable of paying the disassociated Partner, the managing partner will start to Dissolve the partnership and the Disassociated Partner will be paid as part of the winding-up process set forth in Article XV.

14.06 Indemnification of the Dissociated Partner. The Partnership shall indemnify, defend, and hold a Dissociated Partner whose Interest is being purchased harmless against all Partnership liabilities, whether incurred before or after the dissociation, except liabilities incurred by an act or omission of the Dissociated Partner that shall have been unauthorized or the result of grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law. If the Dissociated Partner has guaranteed any Partnership obligations, the Partnership shall use reasonable efforts to obtain a release of the Dissociated Partner's guarantee of such obligations from the applicable creditors.

14.07 Filing a Statement of Dissociation. In the event of the dissociation of a Dissociated Partner, the Partnership shall file a Statement of Dissociation with the Illinois Secretary of State in accordance with the Act as soon as practicable after the date of such dissociation.

ARTICLE XV DISSOLUTION AND WINDING UP

15.01 Dissolution Events.

The Partnership shall be dissolved, and, unless continued pursuant to §15.02, its business must be wound up, only upon the occurrence of any of the following events:

- (a) The majority vote of partners to wind up the partnership business;
- (b) The expiration of the Term which is when the last property owned by the partnership is conveyed or transferred out of the partnership.

15.02 Partnership Continues After Dissolution.

(a) Subject to Subsection (b) of this §15.02, the Partnership continues after dissolution only for the purpose of winding up its business. The Partnership is terminated when the winding up of its business is completed.

(b) At any time after the dissolution of the Partnership and before the winding up of its business is completed, all of the Partners, including any Dissociated Partner other than a Partner who Wrongfully Dissociates, may waive the right to have the Partnership's business wound up and the Partnership terminated. In that event:

- (1) The Partnership resumes carrying on its business as if dissolution had never occurred, and any liability incurred by the Partnership or a Partner after the dissolution and before the waiver is determined as if dissolution had never occurred; and

(2) The rights of a third party accruing as a result of a Partner's act after dissolution that is appropriate for winding up the Partnership business or arising out of conduct in reliance on the dissolution before the third party knew or received a notification of the waiver shall not be adversely affected.

(c) If a Partner who is an individual dies or a court of competent jurisdiction adjudges a Partner who is an individual to be incompetent to manage his or her person or property, the Partner's executor, administrator, guardian, conservator, or other legal representative may exercise all of the Partner's rights for the purpose of settling such Partner's estate or administering such Partner's property.

15.03 Winding Up, Liquidation, and Distribution of Assets.

(a) Upon dissolution, an accounting shall be made by the Partnership's Accountant of the accounts of the Partnership and of the Partnership's Property, liabilities, and operations, from the date of the last previous accounting until the date of dissolution. The Managing Partner shall have the right to preserve the Partnership business or Property as a going concern for a reasonable time; prosecute and defend actions and proceedings, whether civil, criminal, or administrative; settle and close the Partnership's business, dispose of and transfer the Partnership's Property; discharge the Partnership's liabilities; distribute the assets of the Partnership pursuant to this Partnership Agreement; settle disputes by mediation or arbitration; and perform other necessary acts.

(b) If the Partnership is dissolved and its affairs are to be wound up, the Managing Partner shall apply Partnership assets, including proceeds from liquidations, in the following order of priority:

(1) Sell or otherwise liquidate all of the Partnership's assets as promptly as practicable (except to the extent the Managing Partner may determine to preserve the Partnership business as a going concern for a reasonable time);

(2) Allocate any Taxable Income or Taxable Loss resulting from such sales to Partners' Capital Accounts in accordance with Article X hereof;

(3) Discharge all liabilities of the Partnership, including liabilities to Partners who are creditors, to the extent otherwise permitted by law, other than liabilities to Partners for distributions, and establish such reserves as may be reasonably necessary to provide for contingent or unmatured liabilities of the Partnership (for purposes of determining the Capital Accounts of the Partners, the amounts of such reserves shall be deemed to be an expense of the Partnership); and

(4) Distribute the balance, if any, to the Partners in accordance with their positive Capital Account balances, as determined after taking into account all Capital Account adjustments for the Partnership Taxable Year during which such liquidation occurs (other than those made pursuant to this §15.03(b)(4)), by the end of such Taxable Year (or, if later, within 90 days after the date of such liquidation).

15.04 Deficit Capital Account.

If a Partner has a deficit balance in his or her Capital Account following the liquidation of his or her Interest in the Partnership, as determined after taking into account all Capital Account adjustments for the Partnership Taxable Year during which such liquidation occurs (other than those made pursuant to this §15.04), the Partner shall not be obligated to restore the amount of such deficit balance to the Partnership, and such deficit balance shall not be considered a debt for any purpose whatsoever; provided, however, that this shall not release a Defaulting Partner from the Defaulting Partner's obligation under §8.02 hereof to the Partnership if that obligation is unpaid at the time the Partnership is dissolved.

15.05 Right of Offset. The Partnership may offset damages for breach of this Partnership Agreement by a Partner whose Interest is liquidated (either upon the withdrawal of the Partner or the liquidation of Partnership) against the amount otherwise distributable to such Partner.

15.06 Statement of Dissolution. After dissolution, the Partnership shall file with the Secretary of State and, if appropriate, record a statement of dissolution stating the name of the Partnership and that the Partnership has dissolved and is winding up its business. After filing and, if appropriate, recording a statement of dissolution, the Partnership shall file and, if appropriate, record a Statement of Partnership Authority with respect to the Managing Partner winding up its business.

15.07 Partner's Liability to other Partners after Dissolution. A Partner who, with knowledge of the dissolution, incurs a liability that is not appropriate for winding up the Partnership business, which liability is the type of obligation that would have bound the Partnership before dissolution under §301 of the Act if the other party to the transaction did not have notice of the dissolution, shall be liable to the Partnership for any damage caused to the Partnership arising from the liability.

15.08 Return of Contribution Nonrecourse to Other Partners. Except as provided by law or as expressly provided in this Partnership Agreement, upon dissolution, each Partner shall look solely to the assets of the Partnership for the return of his or her Capital Contribution. If Property remaining after the payment or discharge of the debts and liabilities of the Partnership is insufficient to return the cash contribution of one or more Partners, such Partner or Partners shall have no recourse against any other Partner, except as otherwise provided by law.

16.8 Waivers. The failure of any party to seek redress for default of or to insist on the strict performance of any covenant or condition of this Partnership Agreement shall not prevent a subsequent act that would have originally constituted a default from having the effect of an original default.

16.9 Rights and Remedies Cumulative.
